

**Fibre Optic Cable Joint Enclosure**  
Bringing innovation with our value added solutions

0.5 Inch RF Cable, 10Watt Dumpy Load, 2 Core Fiber Cable, 214 RG Coaxial Cable, 400 LMR Cable, Armoured Cable, BT Coaxial Cable, Cylinder Type Joint Enclosure, Duct Coupler, Female Connector, Fiber Management System, Fiber Optic Cable, Fiber Optical Adapter, IBS Combiner, LAN Patch Panel, etc.

**PLC SPLITTERS**

**POWER ADAPTER**

**FIBER OPTIC CABLE**

## About Us

Our recently founded enterprise, Fnet Technology is aiming to lead Indian markets with top quality Cables, Cable joints and other items. We aspire to contribute in diverse sectors that require cables & associated items so that our advanced technology can also enhance performance of their devices, equipment and machines. By serving as a manufacturer, we bring forth the most efficient range of 12 Core Cable Joint Enclosures, Fiber Optic Cable Joint Enclosures, Enclosure Setup, 24 Core Cable Joint Enclosures, Patch Cord Cables and Office Patch Cord Ethernet Cables. For high performance levels, lower energy loss and durability, these items are gaining wide acclamation in the markets. For designing & development of these technically advanced Cables, our skilled, educated & experienced professionals conduct thorough research and analysis of the market. At our production area, we have equipped all the latest devices & tools that are resourceful for manufacturing and quality inspection processes. With these resources, our team is able to work in a much efficient way.

Our mission is to strengthen our position and reputation in the industry by our quality of work. To earn & maintain the trust of our valuable customers is also our primary goal. We are looking forward to attain immense success in the coming years.

<b>OEM Service Provided</b>	No

## Our Products

**Female Connector**

**Multimode OFC Cable**

**Patch Panel**

**Media Converter**

**400 LMR Cable**

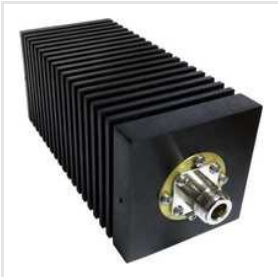

**Fiber Management System**

**Patch Cord**

**Fiber Optical Adapter**

**10Watt Dmy Load**

**Tiffin Type Joint Enclosure**

**0.5 Inch RF Cable**

**SFP Slot Media Converter**

**RF Directional Coupler**

**Singlemode Fiber Optic Patch Cord**

**BT Coaxial Cable**

**214 RG Coaxial Cable**
